

SOFT CLAWS SIZE GUIDE FOR DOGS

When you receive your Soft Claws nail caps, try one on first without the adhesive glue. If it doesn't fit, trim the open end of each nail cap until they fit your dog's paws comfortably **or** before altering the nail caps, send the complete package back for an exchange.

Note: Almost all of our exchanges are for a larger size, so again, if you are in between sizes, choose the larger size.
